## OBITUARY

### Michael Anthony Clark 1939-2024

It is with much sadness that we have learned of the passing, to his heavenly reward, of Michael Clark who had been on our mailing list for many years. Several people will remember his enlightening address to our Spring Convention in 2012 when he spoke on 'Aspects of the Monarchy's Framework'. However, his understanding of how number is woven into the fabric of Scripture and prophetical fulfillment was one of his greatest abilities. In this he surpassed many who deliberate on this subject today and for that he will be sorely missed.

We were also greatly blessed by having him as a friend of the Fellowship in his role as President of the British Israel World Federation, a position that he held for many years. He will certainly be remembered as a staunch British Israelite, but he had other credible aspects to his background. From an early age he dedicated his life to the Lord Jesus and applied his gifts in a career of design both in the domestic and commercial fields where he took opportunity to further the word of God.

One of our Trustees, Pastor Robert Phillips gave the Eulogy at his funeral and celebration of his life held at Ebenezer Church, Talbot Green in Wales on 30th May. This brought together scores of people to pay their respects and to sing the Lord's praise for his life. He is survived by Philippa his wife and children to whom we extend our deepest sympathy.
